

VISIT TO CHILD CARE HOME

The members of the Alumni Association visited Child Care Home at Salt Lake on 2nd May, 2015.

Child Care Home was established on the 20th of July, 1993, initially with only 5 girls. The Child Care Home was certified as a Reception and Rehabilitation Centre for lost, abandoned and homeless children picked up by police from railway stations, bus stands, fair grounds . Using the Juvenile Justice Act for Care & Protection police send such children to this home.. The Home is managed by Women's Interlink Foundation, a Non Governmental organization, established in 1990 in Kolkata by a group of members who have expertise in various fields of professional social work. It was registered in 1992 under the Public Charitable Trust Act in West Bengal and has Income Tax Exemption. Financial and material support is received from various organisations, trusts and individuals. Presently, CCH is home to 52 girls, all aged between 4-18 yrs. To them it is the only Home they know.

During this visit a feature film was screened to entertain the members of the home. After the screening they were given cakes, biscuits and fruit juice during their tiffin break; bathing soaps and shampoo for their daily use.

The members of the alumni association spent time with the children seeing their handicrafts, jewellery manufacturing workshop, that trained them to earn their livelihood-- empowering them to live a life with dignity.
