

## Health Camp on 18<sup>th</sup> November 2016

The Gokhale Memorial Girls' College Alumni Association organised a Health Camp for the faculty and students of the college on 18<sup>th</sup> of November, which is the death anniversary of the founding Principal of the college, Dr. S E Rani Ghosh. The objective of the camp was to provide a thorough routine check up to detect minor health conditions or the possibility of any major conditions. The camp was carried out by senior doctors from IPGMER SSKM Hospital. 20 children from Women's Interlink Foundation's sister concerns- "Child Care Home and Nijoloy" It included eye check up and a general health examination. The students and faculty participated readily and the response was more than satisfactory. The results were examined by the doctors personally and sent back to the concerned individuals for their personal record.
