Part C

**Student's Feedback Analysis for
Assessment of Teaching Quality in Major/
Honours Subjects**

C) Student's Feedback Analysis for Assessment of Teaching Quality in Major/ Honours Subjects:

C.1) Introduction

A comprehensive methodology has been adopted for making a in-depth analysis of the student's feedback who has been pursuing various education at Gokhale Memorial Girls' College. It is in order to make a sense from the obtained data collected through the feedback of the Students of the college, the response obtained is converted in valid data points. It is to adopt the technique or methodology for analysis; the feedbacks are converted into valid data points. For example to explain the fact; the option of " Very Good" is converted into data point of 4, "Good" is converted into data point of 3, Satisfactory is converted into data point of 2 and finally the option of unsatisfactory is converted into data point of 1. So a holistic analysis through quantitative analysis of the survey feedback questions is done through plotting of the data points as per the answers provided in each of the questions.

In this section the teaching quality or indeed the teacher's feedback given by the student who have undertaken the various Honours/ Major subject at the college is given below. The students across 14 students from different department such as ASPV, Communicative English, Physics, Mathematics, Psychology, Hindi, Bengali, Political Science, Economics, Geography, Education, History, Philosophy and English participated in this particular survey analysis. So a holistic overall analysis is made for the teaching quality of the Honours paper and Major papers are depicted in the subsequent analysis.

A total of 1209 responses for the teachers teaching Honours /Major Subjects is provided by the students. The methodology for obtaining 1209 number of responses is further explained. For example there are 5 teachers who takes class for Honours or Major Courses. So students provided feedback for all the 5 teachers who are teaching them Honours or Major Courses. It is in this way, 1209 responses are obtained.

It is also essential to mention that a teaching skill has been adjudged through variety of factors such as the teaching skill of the professor, Sincerity, teacher's ability to generate interest in the

subject, communication skill, accessibility of the professor for the students, punctuality and the ability to complete the entire curriculum of the university for the subjects.

C.2) DESCRIPTIVE STATISTICS ANALYSIS:

Descriptive Statistics		
	N	Mean
Teaching Skills	1209	3.739
Sincerity	1209	3.78
Ability to Generate Interest in Subjects	1209	3.68
Accessibility	1209	3.7
Punctuality	1209	3.74
Ability to Complete Syllabus in time	1209	3.7

Observation and Analysis:

It can be observed that around 1209 feedback are received from the students for each of the teachers who give lectures in Honours paper that the average scores of the each of the constructs which has been taken for adjudging teaching quality is more then 3. Since the data point of 4 was plotted against a Very Good feedback and the data point of 3 is marked against a Good Feedback, it can be estimated that most of the students have given a feedback of Very Good or Good for each of the constructs. Therefore it can be significant analyzed from the result of the descriptive statistics that the teaching quality in Honours and Major papers is very good at the Gokhale Memorial Girls' College.
