Activity Report of a Blanket Distribution Drive by NSS Unit of GMGC

Name of the Activity: Blanket Distribution Drive for the Street-dwellers Living in the Vicinity of the College Campus

Date: 20.01.2024

Time: 2 PM onwards

Venue: Main Gate of the College Campus

Role of NSS: The NSS Committee Members and the Student-Volunteers of the NSS Unit of GMGC organized the whole event and raised a substantial fund for the purchase of new blankets.

Details of Fund Raised: A fund consisting of Rs. 12000/- was raised by the NSS Unit from the voluntary contributions of the students of the institution. The college authority contributed Rs. 1500/- from the college fund. Another 1500/- was raised from other contributors. A total of Rs. 15000/- was collected for the purchase of new blankets.

Scope of the Activity: In total 130 blankets were purchased which were given away to a similar number of needy street-dwellers. Due to constraints of fund and also due to its being a pilot project, the activity could not be conducted on a large scale.

Outcome of the Activity: In spite of the limited scope of the activity, the blanket distribution drive was quite successful in fulfilling its avowed purpose. The students not only learnt a valuable lesson about the importance of social service and communal responsibility, but also got the opportunity to acquire first-hand experience in selflessly working for people who are less fortunate than others.

Number of Students Participated: 32 Students as Contributors

Number of NSS Volunteers Involved: 8 Volunteers
