

## **Objectives of the Course**

1. To train students to listen and understand familiar phrases and sentences concerning themselves, their family and immediate surroundings.
2. To teach students to be able to pick out some of the details from short spoken passages which are clearly articulated and also understand and follow classroom instructions in German.
3. Teaching students to introduce themselves and others, to be able to communicate by asking and answering questions about themselves, their family and surroundings.
4. To train students to recognise and understand some familiar words and phrases in written form, follow short texts on a known topic and understand some of the main points from it. Also, they should be able to write words, phrases and a few sentences using a model and write simple phrases and sentences about themselves, their family and friends, where they live and what they do. Basic Communication skills for real life situations will be taught.
