

GOKHALE MEMORIAL GIRLS' COLLEGE

REUNION MELA 2023

To celebrate the impact of Gokhale Memorial Girls' College in the lives of its alumni, Gokhale Memorial Girls' College Alumni Association hosted its first ever Reunion Mela 2023 on Sunday, March 19, 2023, from 3-7 pm at the college campus in Harish Mukherjee Road. It was a get together event for all the alumni of the college and an opportunity to relive their old college days. With a theme of a mela, exhibition stalls on fashion, lifestyle, and food were set up. The event was a huge success with a footfall of around 400 alumni.

Gokhalites turned entrepreneurs got an opportunity to market their products, to name, ALNA (eco-friendly products), YOGA BOWL & NAWAB DARBAR (food) and Mishti Sukh (sweets). They were great inspiration and trendsetters for other Gokhalites. Handicraft stalls were also set up by Swayamsiddha (Bharat Sevashram Sangha), Artimpression.in, Hanshi Khusi, Neelanjana's Canvas, Jini's Jewellery, Calcutta Foundation. Food stalls were set up by Sweet Desire, Noodle & Spice, Shazaan.

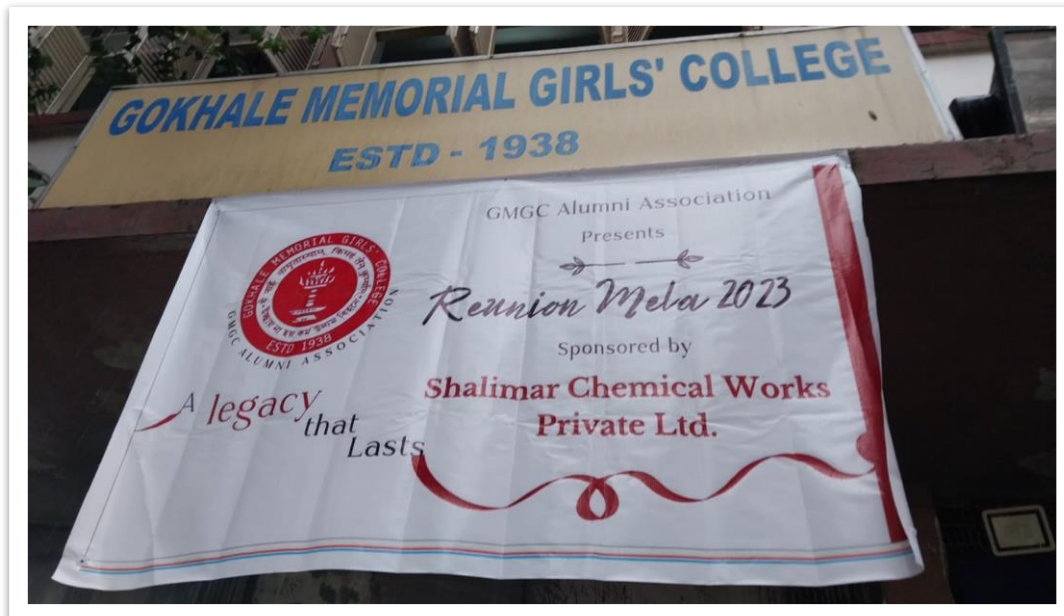

If students come, teachers follow and vice versa. Giving the evening its finishing touch, the Principal of the Institution, Dr. Atashi Karpha, the present and erstwhile teaching and non teaching staff kept arriving all evening through. The silent service of the present non teaching staff and the sound and light supports were the icing on the cake. Once more has this Institution proved that alma mater matters.

Gokhale Memorial Girls' College Alumni Association was delighted to organise this Reunion Mela for the alumni of the College to celebrate a legacy that lasts.
