

Ref. GMGC/ADMIN/23-24/No. 524

Date: 15/02/2024

Goyal Brothers Prakashan is looking for highly motivated graduate individuals who are passionate about conducting research in the field of education and allied areas. As a Research Associate, you will play a crucial role in assisting various research projects, analyzing data, synthesizing findings, and contributing to the development of video scripts aimed at educational content creation.

Responsibilities:

- Assist in conducting research projects related to education and allied fields.
- Conduct literature reviews, gather relevant research materials, and synthesize findings.
- Collect and analyze data using appropriate research methodologies and statistical techniques.
- Contribute to the development of video scripts based on research findings and educational insights.
- Collaborate with team members to brainstorm ideas, refine research methodologies, and interpret data.
- Stay updated on the latest trends, developments, and best practices in education research and content creation.

Requirements:

- Any Graduate or Post Graduate degree
- Strong research skills
- Proficiency in Microsoft Office suite (Word, Excel, PowerPoint) for data management and report preparation.
- Familiarity with internet research
- Preferred knowledge of AI tools
- Excellent communication skills (Hindi or English), both written and verbal.
- Ability to work independently as well as part of a collaborative team.
- Attention to detail and strong organizational skills.
- Prior experience in educational research or related fields is a plus.

All deserving candidates are invited to apply with their CVs at
