GOKHALE MEMORIAL GIRLS' COLLEGE

Fostering inclusion

Objective:

- To provide a holistic education based on inclusivity.
- To provide all students with the most appropriate learning environments and opportunities through which they can best achieve their potential.

Context:

Students come from different socio-economic backgrounds. Inclusion within such diversity helps every student to feel included and have a sense of belonging within the institution. Meritorious students who are financially disadvantaged need special institutional initiative which can help them to achieve their potential and aspirations.

Practice:

- Strict adherence to the government rules of reservation during admissions.
- Institutional financial assistance to the meritorious and needy through fee waivers and free-ships and individual philanthropy by the faculty in special cases.
- Maintaining a support system for the differently-abled students within resources and space available.
- Guidance to students through awareness programmes on government scholarships and grants available for them.
- Inclusivity in class room through group discussions and individual and group presentations by students.
- Organizing competitions and events where students can showcase their talents. Equal opportunity for all students different cultures, languages and socio-economic backgrounds.
- Inclusivity through the confidence placed in students to come together in true esprit de corps and conduct and participate in programmes such as Teachers' Day Celebration, College Day Celebrations, Special Observances, Freshers' Welcome, class farewells, activities through the student fora such as Cultural Club, Literary Club, Social Awareness Club and the NSS and activities in special circumstances such as the Covid-19 pandemic and devastating cyclonic storms (such as YAAS).
- Students' literary and artistic talents are harnessed for the College magazine, "Miscellany", the Literary Club magazine, "Monochrome" and Wall Magazines.
- Promotion of environmental consciousness and universal values through campus initiatives such as No single-use Plastic Drives, Swachhta initiatives, tree

plantation, campus cleaning drives, social outreach activities basically conducted by the social awareness Club and NSS Unit-1 and the MGNCRE SES REC Cell.

- Using the limited reading room space in the college library in the best possible manner, following the rules and cooperating with other readers.

Outcome

- Quite a few programmes are organized in every academic session where students participate enthusiastically, motivated by the faculty.
- Student participation brings out their latent talents, both literary and artistic.
- Inclusivity in the classroom helps them build confidence, enhance preparedness and equips them for higher studies or placements.
- Students learn how to work together in harmony in a spirit that cuts across the diverse socio-cultural and socio-economic differences.

Areas of inclusiveness in GMGC

- ❖ Observances create an opportunity to bring people and especially young minds together with the intent to educate, celebrate contributions of great men and women and to work towards a future that is inclusive of all people. The aim to bring together students in true esprit de corps with the intent to educate, create a sense of fellow-feeling, create a sense of shared heritage, create a sense of both institutional and national pride, inculcate values and work towards a future that is inclusive of the entire student community of the college. Special observances have always been a part of the college life. During the Covid -19 pandemic, All offline classes and activities had to be forcefully brought to a standstill due to the pandemic and a few of the special observances were conducted online in the second half of 2021 and January 2022. But as soon as the college reopened fully from February 2022, special observances began to be observed judiciously inside the campus to re-motivate the students and inculcate a sense of togetherness.

1. Observance of a month-long programme in September 2021 to celebrate the **"Rashtriya Poshan Maah 2021"** with the following events- *Intra-Department Student Webinar*
2. *Expert Talk on "Nutrition" by Prof. Bela Bose, President, Calcutta Ekatma and on "Medicine and Diet" by nutrition educator Mr. Aritra Khan.*
3. *Inter-college Poster Making competition on "Combating Hidden Hunger".*
4. *Video compilation by the students of CNDV on the 'Health Benefits of Yoga', 'Kitchen Gardening' and on the prospects of the under-graduate Clinical Nutrition and Dietetics course.*

Founder Mrs. Sarala Ray 's Birth Anniversary and Founder-Principal Dr. S. E. Rani Ghosh's Death Anniversary observed on 26/11/2021 as in previous years with remembrances and homage paid to both the stalwarts who were the inspiration behind this esteemed all-women higher educational institution.

Celebrating the **125th Birth Anniversary** of Netaji Subhas Chandra Bose, a leading figure in the Indian freedom struggle on 23rd January 2022. Students hosted a video presentation in memory of this beloved and venerated leader as the institution was still in a Covid-19 lockdown mode and live streamed on YouTube for public viewing. <https://www.youtube.com/watch?v=yVNDsFyvvI4>

❖ Other Activities

A Film Screening and Workshop on Gerontology on 27/04/2022

A Film-cum- Workshop on social gerontology (active ageing) and film language / technique titled, "Understanding the Psycho-Sociological Aspects of Gerontology-The Audio-Visual approach" was conducted on 27/04/2022 by independent film director Director Sourav Sarkar with the screening of his film, "Solitary Soul" (Nibhritochari). The film dealt with the pertinent topic of active ageing and optimism of life in an elderly - care home, with discussions on the concept of 'gerontology' and its research -scope, as well as National Policy for Older Persons, Govt. of India. The 90-minute visual analysis / lecture would be delivered in a mixed language mode (English and Bengali). It provided the students an exposure to the sociological topic through the film, motivating them for generating further research-interest on the topic. The program (film - Kit / & lecture) provided the students, a learning experience on the topic, through a case study on the topic, as depicted in the film. Apart from the academic learning, the film and lecture will also grow social empathy on the crisis shown in the film, and make the students more conscious citizens, on the topic depicted in the film program. Thus, this proposal caters to the Principles of The NEP 2020 which strives to "*develop good human beings capable of rational thought and action, possessing compassion and empathy*". A multi-disciplinary benefit of the entire event was that, although the topic and film related to behavioural aspects / human emotions / literature and social sciences, it drew reference on relevant public policies in India. The lecture truly added value to the IQAC goals of quality enhancement through inclusive activity.

Classroom Inclusivity

Student Seminar and Student Presentation are integral to inclusiveness as these research-oriented events that events give equal opportunity to all students shrug of their shyness and come forward to showcase their academic and research acumen. Student presentations are organized throughout the academic session by different departments

Student Welfare

- Financial Assistance 2017**

According to the records of Students' Welfare Sub-Committee College offered fellowships or partial assistance to a few students following some applications by needy students. Thereafter every year college began to invite applications and disbursed a minimum amount from the money received from UDAAN (A Non-government organization and Shivani Chatterjee Memorial Fund). During the Covid Pandemic, the number of applicants went up dramatically. It was decided at one point to take a portion of the funds paid by students during admission for social service. Presently, despite many govt. scholarships, the practice continues to thrive.
