

Activity report of Two-Day International Webinar (Day 2)

1. **Name of the Seminars/conferences/workshops: Two-Day International Webinar (Day 2)**
2. **Organized by: Department of Economics**
3. **Aim of the Seminars/conferences/workshops:** The lecture was focused on the fact that even senior citizens having the right attitude take things in their stride and keep themselves busy in productive work with their experience they can contribute tremendously to the welfare of the society and the country. Their services can be free or even for a fee which may serve as earning in old age. So, the elderly with their work and life experiences are assets rather than liability as they have the ability to pass on the experiences to the younger generation who can benefit both materially and spiritually.
4. **Date: 10.07.2021**
5. **Duration in hours (approximate): 2 hours**
6. **Number of Participants (approximate): 273**
7. **Name of Speakers with title of their speech, designation and Affiliation:**

Name of Speakers	Title of the speech	Designation	Affiliation
Dr. Sarmila Banerjee	Age, Ageing and Elderly- Asset or Liability?	Former Rajiv Gandhi Chair Professor	University of Calcutta

8. **Sponsoring agency: NA**
9. **Sponsored amount: NA**
10. **Outcome of the Seminars/conferences/workshops (within 100 words):** This lecture provided valuable insights in the manner in which inter-generational experiences can help maintain living standards, particularly how the knowledge and experience of older women can help in the training of younger people to enhance their skills and employability. In this, particularly the elderly women would be regarded as real knowledge assets rather than socio-economic liabilities.

AGE is GOOD: Why?

- LEB in 1947 --- 35 years
- LEB in 2021 --- 70 years
-  High IMR, CMR & MMR
- The IMR has been reduced from 189/1000 live births in 1951 to 28/1000 live births in 2021,
- The CMR over the same period came down from more than 258/1000 to around 39/1000 live child birth,
