Activity report of National Level Webinar on “**Modern Education System and Future of India**” (name of the Seminars/conferences/workshops conducted)

1. Name of the Webinar: “**Modern Education System and Future of India**”
2. Organized by: **Department of Education, Gokhale Memorial Girls' College.**
3. **Aim of the Webinar:** “Since wars begin in the minds of men, it is in the minds of men that the defenses of peace must be constructed” and “The destiny of India is now being shaped in her classrooms”. So, to live a happy and peaceful life in a peaceful society, the importance of ‘classroom’ is unquestionable. Today’s students will determine the future of the country. Strong, quality education is necessary to achieve national as well as Sustainable development goals. As students are in the ‘centre’ of the education system, their thoughts must get a voice. The present webinar is that platform from where the UG and PG students of India can raise their voice in a scientific way. The webinar also aims to motivate the UG and PG students towards research.
