**9. Aim of the seminar:**

The main aim of the seminar was to explore the issues surrounding confinement during the Pandemic and how it is affecting us across the generation. Both the student as well as the parents joined the seminar.

**10.Outcome of the conference:**

The speakers discussed practical issues surrounding “life inside the boundaries “ and how to develop ways to cope with the challenges that it brought. The wholehearted participation of the students and the parents could be seen during the prolonged question and answer sessions conducted at the end of the sessions.
