

GOKHALE MEMORIAL GIRLS' COLLEGE

## ACTIVITY REPORT OF OBSERVANCE OF NATIONAL SCIENCE DAY

National Science Day 2026 was observed on 2nd March 2026 in the Science Building to commemorate the ground breaking discovery of the Raman Effect by the renowned physicist Sir C. V. Raman. The programme was organized by the Departments of Chemistry, Mathematics, and Physics of Gokhale Memorial Girls' College.

On this occasion, Dr. Sourav Niyogi, Assistant Professor of Physics elaborated on the significance and contemporary relevance of the day. This was followed by an engaging science quiz conducted by Dr. Niyogi.

In the second half of the programme, a poster competition was organised, where participants presented 15 posters on various scientific topics. The event concluded with a prize distribution ceremony and a formal vote of thanks.

Total number of participants: 37
