10. **Outcome of the Special Lecture:** To promote environmental awareness and encourage sustainable practices among students and the wider community, NSS volunteers attended a cultural programme organised by the Mother Earth Foundation. The programme included various performances and awareness talks highlighting the importance of environmental conservation, ecological balance, and collective responsibility in protecting nature. The NSS volunteers also participated in a tree plantation drive. The programme provided an opportunity for the volunteers to reflect on environmental issues and inspired them to adopt eco-friendly practices in their daily lives. The participation of NSS Unit-I in the event reaffirmed its dedication to environmental stewardship and community engagement. The celebration concluded with a renewed pledge by the volunteers to contribute actively towards environmental protection and sustainable development.
