SWAYAM - NPTEL

What is NPTEL?

National Programme on Technology Enhanced Learning (NPTEL) is a project of MHRD initiated by 7 Indian Institutes of Technology (Bombay, Delhi, Kanpur, Kharagpur, Madras, Guwahati and Roorkee) along with the Indian Institute of Science(IISc), Bangalore in 2003, to provide quality education to anyone interested in learning from the IITs. The main goal was to create web and video courses in all major branches of engineering and physical sciences at the undergraduate and postgraduate levels and management courses at the postgraduate level.

Some Highlights

Largest online repository in the world of courses in engineering, basic sciences and selected humanities and management subjects

YouTube channel for NPTEL – most subscribed educational channel, 1.3 billion views and 40+ lakhs subscribers

More than 70000 hours of video content, transcribed and subtitled

Most accessed library of peer-reviewed educational content in the world

Translation of more than 12000 hrs of English transcripts in regional Indian languages

SWAYAM –NPTEL

(STUDY WEBS OF ACTIVE LEARNING FOR YOUNG ASPRING MINDS)

SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The objective is to take the best teaching learning resources to all. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.

NPTEL INITIATIVES

Learn with us without limits

A New Education for a Changing World

NPTEL Online Certification Courses

Since 2013, through an online portal, 4-, 8-, or 12-week online courses, typically on topics relevant to students in all years of higher education along with basic core courses in sciences and humanities with exposure to relevant tools and technologies, are being offered. The enrolment to and learning from these courses involves no cost. An in-person, proctored certification exam (optional) will be conducted at Rs. 1000/- per course and a certificate is provided through the participating institutions and industry, when applicable.

Why should you do NPTEL online certification courses?

- ❖ Learn directly from top faculty across India, strengthening subject fundamentals.
- ❖ Explore new topics beyond the regular college curriculum.
- ❖ Useful for faculty career development.
- ❖ Interact with a diverse peer group from across India and abroad, helping students gauge their level.
- ❖ Builds self-learning habits and keeps learners updated through independent study.
- ❖ Certificates carry the prestige of the offering institute, helping in job applications.
- ❖ Companies can recruit skilled candidates from this certified pool.

EMPLOYABILITY

Completing Swayam NPTEL courses significantly boosts employability by adding valuable, IIT-backed skills to your resume, showing self-learning initiative, and preparing you for specialized roles (like Data Scientist, Business Analyst) or higher studies (GATE, M.Tech), with top performers often getting direct interviews/internships.

Key Benefits for Employability:

Resume Enhancement: NPTEL certificates from IITs/IISc add credibility and show a strong grasp of specific subjects, making you stand out.

Skill Validation: They prove proficiency in niche areas (e.g., Analytics, AI, Cloud Computing) beyond regular curriculum, meeting industry demands.

Career Advancement: Opens doors to better job roles, promotions, and higher salaries by acquiring in-demand skills.

Higher Education: Strengthens applications for M.Tech, PhD, or competitive exams (GATE, UGC NET).

Industry Recognition: Partners with companies like Texas Instruments (TI) to offer internships/jobs to top scorers, creating direct pathways.

CERTIFICATE CRITERIA

- You must register and appear for the final proctored exam.
- Your certificate score is calculated as:
Final Score = 25% Assignment Marks + 75% Final Exam Marks
- To pass, you usually need:
Final Exam Score $\geq 30/75$
Final Overall Score $\geq 40/100$
- You must submit weekly assignments; your best 8/12 or best 6/8 (depending on course length) are counted.
- Only learners who pass both assignment + exam., receive an e-certificate with institute logo (IIT/IISc).

Types of NPTEL Certificates

1. Topper Certificate

Given to learners who rank among the top 1% or top 5% (varies by course).

2. Elite + Gold Certificate

Awarded for $\geq 90\%$ score.

3. Elite + Silver Certificate

Given when the learner scores $\geq 75\%$.

4. Elite Certificate

Awarded when the final score is $\geq 60\%$.

5. Successfully Completed Certificate

Given when the learner meets the minimum passing criteria (assignment + exam score).

DISCIPLINES

COURSES/ DISCIPLINE COURSES		
Aerospace Engineering	Civil Engineering	Management
Agriculture	Computer Science and Engineering	Mathematics
Architecture and Planing	Electrical Engineering	Mechanical Engineering
Atmospheric Science	Electronics & Communication Engineering	Metallurgy and Material Science
Basic courses (Sem 1 and 2)	Engineering Design	Mining Engineering
Biotechnology	Environmental Science	Nanotechnology
Chemical Engineering	General	Ocean Engineering
Chemistry and Biochemistry	Humanities and Social Sciences	Physics

ARTS AND SCIENCE DISCIPLINES

ARTS AND SCIENCE COURSES	
Mathematics	Management
Physics	Biotechnology
Chemical Engineering	Electronics & Communication Engineering
Chemistry and Biochemistry	Environmental Science
Computer Science	Humanities and Social Sciences
Computer Science and Engineering	General

How to Register for NPTEL Courses

1. Visit the portal: Go to the SWAYAM website (where all NPTEL courses are hosted).
2. Sign in / Create an account: Use your email ID, or sign in with Google / Microsoft. And Fill in basic details if creating a new account.
3. Search for your course: Type the course name or browse through categories like Engineering, Science, Humanities, Management, etc.
4. Select the course: Open the course page and check details:
Start & end dates, Exam date, Syllabus and Instructors
5. Click “Join” or “Enroll”: Press the Enroll button to join the course.
6. For certification: Register separately for the final exam when the registration opens.
Pay the exam fee (usually around ₹1000 per course).
7. Confirmation email: You will receive a confirmation email.

The ABC ID (Academic Bank of Credits ID), also known as the APAAR ID, is your unique digital identity for storing and transferring online course credits (like SWAYAM/NPTEL) to your parent institution for degree requirements, created via the ABC portal by registering with Aadhaar, linking with DigiLocker, and providing details; for NPTEL/SWAYAM, you submit this ID on the SWAYAM/NPTEL portal when enrolling or after passing to get credits uploaded automatically.

APAAR ID stands for Automated Permanent Academic Account Registry, a unique, lifelong digital ID for Indian students under the National Education Policy (NEP 2020)

How to Get Your ABC/APAAR ID:

- Go to the Official Portal: Visit abc.gov.in or use the DigiLocker app/website.
- Sign Up/Register: Sign up as a student using your Aadhaar details.
- Link DigiLocker: Sign in using your DigiLocker credentials (if not already linked).
- Create ABC ID: Follow prompts to create your ID, which is a unique 12-digit number.
